

# HEALTHY KIDS COLORADO SURVEY

## REPORTING TIMELINES

In order to allow adequate time to produce high quality reports, OMNI will adhere to the following reporting timelines:

- Communities for which OMNI has received data by December 10 will receive their reports by February 15.
- Communities for which OMNI has received data by March 15 will receive their reports by May 15.
- Communities for which OMNI has received data by June 30 will receive their reports by July 31.

If any of those dates occur on a weekend or holiday, then the deadlines will occur on the next business day.

Please e-mail [survey@omni.org](mailto:survey@omni.org) with any questions regarding the receipt of your reports.
